## Funding Policy

### 2017-2018

#### ESC Funding Policy Maximum Amounts:

In the past, ESC has set specific max amounts that can be requested depending on what type of event is being funded (i.e. Conference, community service, projects).

**This year, ESC is doing away with this policy.** However, the maximum amount that can be requested by any club is still \$1000. **ESC will not fund a club any more than \$1000 for the academic school year.**

\*Requesting funding is no guarantee that the total amount requested, or any amount requested, will be distributed to the club\*

#### Timeline:

Funding forms are due by **5 pm the Friday BEFORE** the scheduled funding interview dates! Any funding proposal received after this time will be pushed back to the next round of funding interviews. If a circumstance should arise, please contact Nicole Gefrides at [ngefrides@email.arizona.edu](mailto:ngefrides@email.arizona.edu) or [escvpfinance@gmail.com](mailto:escvpfinance@gmail.com) and we can try and work it out.

The funding interview dates for Fall of 2017 are as follows:

Thursday, September 28 <sup>th</sup> , 2017	APPLICATIONS DUE Friday, September 22 <sup>nd</sup> !
Thursday, November 16 <sup>th</sup> , 2017	APPLICATIONS DUE Friday, November 10 <sup>th</sup> !

Please try and schedule for an interview that is as close to when you need the money as possible. However, **allow ESC at least 5 business days after the scheduled funding interview to disburse the funds.**

If ESC is funding an event, then a **Funding Event Review Form** must be submitted, along with three JPEG photos from the event to [escuofa@email.arizona.edu](mailto:escuofa@email.arizona.edu) **no later than TWO WEEKS after the event.** This is a way for ESC to publicize some of what we do, and helps garner more company interest in sponsorship.

In order to qualify for ESC Funding Clubs **MUST:**

- be both ESC and ASUA recognized
- have all current club information on record with ESC
- Not request any more than the amount of funding remaining available to their club

\*Any questions should be directed to [ngefrides@email.arizona.edu](mailto:ngefrides@email.arizona.edu)\*
